

It's time to get onboard for
Mission 2018- DreamUp To Space!

iLEAD Student Aerospace Projects

***Dream up your idea,
send it into space!***

Two ways to participate

“Design A Research Experiment” Project
grades 4-12

“Design A Mission Patch” Project
grades TK-12

Learner developed experiments and patch designs from participating schools
will compete to be flown to the International Space Station

Project runs from January 29 - March 2
culminates at
iLEAD Space & Innovation Expo

For more information, ask your facilitator today or contact
Kathleen.Fredette@iLEADSchools.org
