

WE NEED YOUR HELP!

The classrooms are hosting baskets for the silent auction at the Winter Production. Each class has their own theme. The class that brings in the most items will have an ice cream social, and the class that raises the most money at the silent auction will also have an **ice cream social!!**

Please send new donation items you think will make our baskets extra special.

All items must be brought in by Jan. 27, 2020

The funds raised from our baskets goes towards our class field study trips.
