

2022-2023 Family Guidebook Board

Approved: June 22, 2022

Free To Think. Inspired To Lead.

INTRODUCTION

Welcome to iLEAD AV, a program in iLEAD Hybrid Charter School, which is designed to meet each child's individual needs to foster a love of learning and the desire to be the leaders of the future. As a learner at iLEAD AV Studio Charter School, each child will participate in an interdisciplinary academic learning environment where they will make connections among various areas of study including language arts, math, social studies, science, the arts, and technology. The independent study setting supports learners as they grow academically using a variety of learning strategies. Each child will be empowered to take ownership of their learning experience. They will also have the opportunity to learn experientially through many field study events visiting local parks, organizations, businesses, and museums.

iLEAD AV Studio Charter School's parents/guardians are actively involved in their child's education. It is a team environment with frequent collaboration between the staff, parent/guardian, and child. Facilitators are credentialed teachers of record who partner with families to provide support and guidance to the learner.

This Guidebook is designed to share iLEAD Charter School's philosophy, expectations for learners and families, along with other school information.

TABLE OF CONTENTS

Section 1: iLEAD Schools' Educational Overview

Section 2: General Operations

Section 3: Daily Operations

Section 4: Learner Conduct

Section 5: Learning Period Expectations

Section 6: Technology

Section 7: Policies and Procedures

Section 8: Communication

Section 9: Families and iLEAD Charter School Working Together

Section 10: Governance

SECTION 1:

iLEAD SCHOOLS' EDUCATIONAL OVERVIEW

OUR MISSION AND VALUES

iLEAD Schools Mission Statement

Free to Think. Inspired to Lead.

iLEAD Means...

International

Learning foreign languages and cultures makes learners compassionate, open-minded world citizens.

Leadership

Practicing leadership from a young age prepares learners for a lifetime of listening, collaborating, inspiring, and leading.

Entrepreneurial Development

Encouraging learners to work in teams, take risks and learn from failure nurtures the ability to innovate and ignites their entrepreneurial spirit.

Arts

Creating and exploring the world through the artistic experience enhances all subject areas.

Design Thinking

Participating in project-based learning leads to more meaningful experiences and a deeper understanding.

Through personalized, customizable instruction, iLEAD's mission is to inspire learners to become creative problem solvers, compassionate servant-leaders, conscientious collaborators, and responsible citizens who develop a lifelong love of learning. iLEAD Schools promotes active learning methods and opportunities for self-directed learning.

OUR METHODOLOGY

Project-Based Learning (PBL)

Over the past 100 years, the world we live in has radically changed. If we as a society are going to keep up, the way we educate our children must also change. Project-based Learning (PBL) is a teaching methodology that actively engages learners by challenging them to deeply investigate a personally interesting and complex question, problem or challenge. Then from this deep investigation, create and publically present something unique and original and authentic in response.

Project-Based Learnings' time has come. The experience of thousands of teachers across all grade levels and subject areas, backed by research, confirms that PBL is an effective and enjoyable way to learn – and develop deeper learning competencies required for success in college, career, and civic life. Why are so many educators across the United States and around the world interested in this teaching method? The answer is a combination of timeless reasons and recent developments.

Through the PBL methodology, our learners develop the skills, aptitudes, and attitudes necessary to discover their own path and lead the way into the future. The development of rigorous, authentic projects helps learners bridge the gap between simply remembering instructions and becoming independent lifelong learners.

PBL makes school more engaging for learners. Today's learners, more than ever, often find school to be boring and meaningless. In PBL, learners are active, not passive; a project engages their hearts and minds, and provides real-world relevance for learning.

PBL improves learning. After completing a project, learners understand content more deeply, remember what they learn and retain it longer than is often the case with traditional instruction. Because of this, learners who gain content knowledge with PBL are better able to apply what they know and can do to new situations.

PBL builds success skills for college, career, and life. In the 21st century workplace and in college, success requires more than basic knowledge and skills. In a project, learners learn how to take initiative and responsibility, build their confidence, solve problems, work in teams, communicate ideas, and manage themselves more effectively.

PBL helps address standards. The Common Core and other present-day standards emphasize real-world application of knowledge and skills, and the development of success skills such as critical thinking/problem solving, collaboration, communication in a variety of media, and speaking and presentation skills. PBL is an effective way to meet these goals.

PBL provides opportunities for learners to use technology. Learners are familiar with and enjoy using a variety of tech tools that are a perfect fit with PBL. With technology, facilitators and learners can not only find resources and information and create products, but also collaborate more effectively, and connect with experts, partners, and audiences around the world.

PBL makes teaching more enjoyable and rewarding. Projects allow teachers to work more closely with active, engaged learners doing high-quality, meaningful work, and in many cases to rediscover the joy of learning alongside their learners.

PBL connects learners and schools with communities and the real world. Projects provide learners with empowering opportunities to make a difference, by solving real problems and addressing real issues. Learners learn how to interact with adults and organizations, are exposed to workplaces and adult jobs, and can develop career interests. Parents/guardians and community members can be involved in projects.

Not just knowing but also DOING

PBL allows learners to apply their learning in real-world scenarios.

High levels of engagement

PBL gives learners a voice in their own education, activating their interest, which allows for greater and deeper learning!

True learning

PBL allows us to teach, observe, and measure growth of marketable 21st Century skills such as communication, critical thinking, and collaboration.

Focusing on your learner, not the curriculum, brings learning to life

PBL develops self-empowered learners who can analyze the world they live in, design a better tomorrow, and go create it!

***What is PBL? and PBL Outcomes from [Buck Institute](#)**

Social and Emotional Learning (SEL)

It takes more than book-smarts to be an effective leader in the 21st century. Today's leaders must possess the ability to successfully manage themselves and others. In the digital world we live in, these vital skills are becoming more and more scarce. If schools are not teaching them, we are not preparing our learners. **Social and Emotional Learning (SEL)** teaches learners to manage their emotions, resolve conflict, and make responsible and well thought out decisions.

Implementation and evaluation (assessment) of SEL has become an integral part of our approaches to teaching and learning through Project-Based Learning. Based on practices such as the [7 Habits of Highly Effective People/Kids/Teens®](#) (Stephen/Sean Covey) and [Character Lab®](#) aspects (Learner Outcomes), we measure and report SEL progress as part of every project, ILP (Individualized Learning Plan) goals, and Reports of Progress. We have also developed SEL and Academic Rigor rubrics that add a well-balanced approach to mindfulness and reflective practice for facilitators, learners, parents/guardians, and administrators.

Other elements of SEL implementation, practice and assessment include: Leader Led Conferences (LLCs); Presentations of Learning (POLs); Passion Projects; Individualized Learning Plans (ILPs); Advisory Program; Learner Driven Ambassador Groups and Class Greeters.

CURRICULUM

Facilitators support learners and their individual interests and learning styles. Beyond a singular curriculum, facilitators incorporate a variety of materials and experiences to best meet the needs of individual learners.

California State Academic Standards

Curriculum is implemented using the Common Core academic standards that were developed and adopted by the state of California. They are rigorous, internationally benchmarked, and research- and evidence-based.

Each state and each district in California decides how they will teach and what resources they will use. More information can be found at www.cde.ca.gov/re/cc/ or www.corestandards.org. California's computer-based student testing system, the California Assessment of Student Performance and Progress (CAASPP), incorporates the standards for English language arts, mathematics, and science. The assessments include the Smarter Balanced Assessment Consortium Assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-Based Tests in Spanish (STS) for Reading/Language Arts. Parents/Guardians can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about CAASPP can be found at www.cde.ca.gov/ta/tg/ca/ [EC 60119, 60604.5, 60615].

Engaging Curriculum Options

Curriculum options support the California content standards through relevant learning experiences engaging each learner's interests as they discover underlying concepts and develop a deep understanding of subject matter. Learners are active participants in meaningful exploration, hands-on activities, and experiences that build on their prior knowledge. Projects are used as a teaching tool to focus on higher-order thinking and real-world skills.

English Learners Identification Notice

State law requires that parents/guardians of English learners are to be notified annually if they are identified as one of the following: Long-term English Learner or English learner at risk of becoming a Long-term English Learner. The school coordinator for English Language Development will be sending these notices at the beginning of each school year.

Facilitator Continuity (Looping)

Multi-year relationships between the facilitator and learner provide for a deeper connection to guide instructional decisions and familiarity with the social-emotional health of a learner (Anderson and Pavan, 1993).

Advisory/Morning Meetings

Research shows that when learners feel connected to their school, they do better academically. One of the ways we achieve this with Middle and Diploma Programme learners is through our advisory program. In small group settings, we explore the causes and effects of cultural, personal, and community events. Our primary learners participate in daily morning and/or 'family' (classroom) meetings that provide an

opportunity to witness and display social problem solving skills and interactions. These meetings provide learners with the forum to develop social and emotional skills needed to thrive in a collaborative environment.

Global Understanding

21st century learners are encouraged to engage in an increasingly interdependent world where knowledge is constantly developing and evolving in a global marketplace.

Healthy Youth Act

The California Healthy Youth Act requires charter schools to provide pupils with integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention education at least once in middle school and once in high school. iLEAD Charter School provides this course to 7th and 9th grade learners. It is intended to ensure that pupils in grades 7-12 are provided with the knowledge and skills necessary to: 1) protect their sexual and reproductive health from HIV, other sexually transmitted infections, and unintended pregnancy; 2) develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family; and 3) have healthy, positive, and safe relationships and behaviors. It also promotes the understanding of sexuality as a normal part of human development.

Parents/Guardians have the right to:

1. Inspect the written and audiovisual educational materials used in the comprehensive sexual health and HIV prevention education.
2. Request in writing that their child not receive comprehensive sexual health or HIV prevention education.
3. Request a copy of Education Codes 51930 through 51939, the California Healthy Youth Act.
4. Be informed whether the comprehensive sexual health or HIV prevention education will be taught by district personnel or outside consultants.
5. Receive notice by email or another commonly used method of notification fewer than 14 days before the instruction is delivered if arrangements for the instruction are made after the beginning of the school year.
6. Be informed when the district chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV prevention education, including the date of the instruction, and the name of the organization or affiliation of each guest speaker.

INDIVIDUAL LEARNING PLANS (ILPs) and LEARNER LED CONFERENCES (LLCs)

Each year, learners along with their facilitator(s) create an ILP to guide instruction. Each learner, along with their family and facilitator, work together to monitor the ILP and make adjustments, as needed. The primary goal of the ILP is to ensure that each child will be treated as an individual and therefore will be working toward attainable goals appropriate to their individual development.

Throughout the year, learners will review learning outcomes and set individual goals. They will learn to evaluate their progress toward those goals, starting at a basic level when they are younger and improving their ability to self-assess over time. Throughout the year, learners will meet with their facilitator and their parents/guardians to look critically at what they have accomplished both in formal settings as well as at home with their families. At the end of the spring semester our learners will present their progress in the Learner Led Conference (LLC) Presentations.

Portfolio-based LLCs will help ensure that learners are accountable to themselves, their families, their teachers, and the school community as a whole. Additionally, the experience creates a powerful incentive for learners to develop their skills, through the communication of high expectations, public display of meaningful work, and opportunities to showcase talents in modalities that best suit learners' distinct learning styles.

INDIVIDUALIZED EDUCATIONAL PLAN (IEP)

Charter school enrollment is open to all; however, parents/guardians should carefully consider the charter's educational offerings, including independent study and other non-classroom based options, prior to enrollment. Generally, a learner with special needs may only participate in an independent study program if their individualized education plan (IEP) specifically provides for this type of program (see California Education Code section 51745). If a learner enrolls in iLEAD Charter School and the learner's IEP does not provide for independent study or non-classroom based instruction, then iLEAD must convene an IEP meeting to discuss the learner's needs and determine whether independent study is appropriate for the learner.

If the IEP team determines that independent study is appropriate, then they may offer the program as "free appropriate public education" (FAPE) for the learner by including it in the IEP and obtaining parental/guardian consent. Whether virtual or in-person, special education services can only be rendered to learners who are physically in the state of California. No special education services will be rendered to learners outside of the state of California. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121]

The availability of related services and support will be considered when discussing the appropriateness of an independent study or non-classroom based program, as will the methods and feasibility of monitoring the learner's progress on IEP goals. If the IEP team determines that independent study is not appropriate for the learner, then the team will discuss and offer alternative program options. iLEAD Charter School will work with the local school districts and the SELPA to offer a program and placement that is appropriate for the learner.

SECTION 2:

GENERAL OPERATIONS

OFFICE HOURS 8:00am to 4:30pm

Front Desk Phone Number: (661) 494-7442

SCHEDULE

See the iLEAD Charter School website at <https://ileadav.org/> for the most up to date hours, including break and lunch schedule.

INSTRUCTIONAL CALENDAR

See the iLEAD AV website at [iLEAD AV Calendar](#) for the current year's Instructional Calendar. If minimum or pupil-free staff development days are scheduled after the start of the school year, the school will notify parents/guardians of affected pupils as early as possible.

STAFF

See the iLEAD AV website at [Team Directory](#) for staff listings.

POLICIES

Our school is governed by a set of Policies and Procedures that are updated regularly. If you are interested we encourage you to make an appointment to review the policies and procedures by contacting minerva.alonso@ileadav.org or visit ILEADAV.ORG.

SECTION 3:

DAILY OPERATIONS

MASTER AGREEMENT AND ASSIGNMENT WORK RECORD (AWR)

The school's guidelines require a detailed agreement between the learner, parent/guardian, and the credentialed teacher. This agreement is called the Master Agreement, and it must be completed and signed by the learner, parent/guardian, and facilitator on or before the learner's start date. In addition to the Master Agreement, learners complete the work and activities on their Assignment Work Record (AWR) as assigned by their educational facilitator each learning period. The primary goal of the AWR is to ensure that each child is working toward grade-level standards, personal goals, and social-emotional growth.

Master Agreement Addendum

In specific instances, such as a course change, a master agreement addendum must be signed by the facilitator, learner, and parent in order to reflect the change.

Attendance

As an independent study program of public charter school, iLEAD AV has guidelines that govern how attendance is calculated. In independent study, attendance is granted by evaluating two components - the daily engagement (learning log) and completion of assigned work (time value).

1. **Engagement:** Learners must be engaged in assigned educational activities listed on the Assignment Work Record on every school day listed on the school calendar (WWW.ILEADAV.ORG). If a learner does not engage in an assigned educational activity listed on the Assignment Work Record on a school day, they will be marked absent. The number of days that a learner receives credit for engagement is reflected on the activity log that the parent/guardian signs at the end of each learning period (LP). Engagement is based on daily activities for each school day.
2. **Time Value:** Learners must complete, show, and discuss the body of work with their facilitator in all academic subjects as assigned on the Assignment Work Record. Generally, the Assignment Work Record will reflect about an hour of work per subject per day (a little less for TK/K). If a learner does not complete the assigned work in a given subject for the learning period, they will not receive full time value for that subject.

When attendance is claimed at the end of a learning period, the facilitator takes into consideration both engagement and time value and must claim the lesser of the two.

TRUANCY AND COMPLIANCE

Per the Master Agreement, learners not meeting program requirements will be evaluated to determine whether independent study is an appropriate strategy/program. The process may include interventions,

Inadequate Progress contracts, and student success team meetings. The school will contact learners and families by phone, email, or in-person meetings to determine interventions needed for success. Any violation of the Master Agreement could result in removal from iLEAD AV independent study program.

Per California Education Code Section 51747, the governing board of iLEAD Hybrid Charter School maintains this board policy establishing the criteria before an evaluation is conducted to determine whether it is in the best interest of the student to remain in independent study.

Inadequate Progress

Inadequate Progress, established by this policy, occurs when the student fails to attend one learning period meeting, fails to complete at least 75% of work assigned for one learning period, and/or accumulates 20 absences due to insufficient work completion and/or engagement as evaluated by the facilitator. This is referred to as "Inadequate Progress." Learners making Inadequate Progress are considered to be truant.

Evaluation After Truancy

Once the learner meets the criteria for truancy, an evaluation will be conducted by school administration including the learner's supervising teacher to determine whether it is in the best interest of the learner to remain enrolled in independent study (herein referred to as the "Evaluation"). The Evaluation may include items as outlined on the student's Master Agreement, but is not limited to the review of the following:

1. Attendance based on completion of assigned work and daily engagement as quantified by the supervising teacher
2. Learner's demonstration of adequate and appropriate progress toward Common Core State Standards due to lack of engagement or insufficient work completion
3. Attendance at scheduled school appointments
4. Appropriate learning environment
5. Parent/Guardian's ability to monitor student learning in the home

As part of the Evaluation process, the learner, parents/guardians, or the learner's educational rights holder (if the learner is a foster child or youth or a homeless child or youth), will be invited to present evidence to the individual(s) conducting the Evaluation. During the Evaluation, the School will determine whether it is in the best interest of the student to remain in independent study. A written record of the findings of any evaluation made pursuant to this subdivision shall be maintained in the student's mandatory interim record.

Additional Consideration for Students with a Section 504 Plan or IEP

If the school recommends removal from independent study as a result of the Evaluation and the learner has a Section 504 Plan or IEP, the Charter School shall schedule an IEP meeting or Section 504 meeting (as applicable) following applicable legal timelines, to determine the following:

1. Whether the Inadequate Progress (e.g. missed assignments) was caused by or had a direct and substantial relationship to the learner's disability.
2. Whether the Inadequate Progress (e.g. missed assignments) was the direct result of the school's failure to implement the IEP or Section 504 Plan, as applicable.

If the answer to either (1) or (2), above, is yes, then the Inadequate Progress is a manifestation of the learner's disability and the school will follow applicable state and federal laws to ensure that the learner is offered a free appropriate public education.

If the answer to either (1) and (2), above, is no, then the learner may be removed from independent study consistent with this policy.

This meeting may be combined with the Evaluation at the discretion of the school.

Notice of Decision and Opportunity to Request a Hearing Prior to Removal

Once the Evaluation is complete, if it is determined that it is not in the best interest of the learner to remain enrolled in the independent study program, the parents/guardians shall be notified in writing of the school's intent to remove the learner as it is not in their best interest to remain in independent study (hereinafter referred to as the "Notice"). The Notice shall be in the native language of the parents/guardians and provided no less than five (5) school days before the effective date of learner's removal. The Notice shall include the following:

1. The school's intent to remove the learner as it is not in their best interest to remain in independent study.
2. The opportunity of the parent/guardian to request a hearing that follows the same procedures as the school uses for expulsions. Parents/Guardians (or the learner if over 18) must submit the request for hearing in writing and the request must be received by the School within five (5) calendar days from the date of the Notice.
3. If parents/guardians or learner over 18 requests a hearing:
 - a. It will be scheduled following the school's expulsion hearing procedures as outlined in the school's approved charter.
 - b. The learner shall remain enrolled and shall not be removed until the school issues a final decision.
4. If no hearing is requested, the learner shall be removed from the charter school on the date listed on the Notice. The learner's district of residence will be notified of the removal.

The learner and/or parents/guardians will receive a copy of the Notice.

NON-TRUANT ABSENCES

Based on how attendance is granted in independent study, the school is required to report attendance based on daily engagement and work completion. If learners are unable to engage or complete work on a school day, they will be marked absent but not considered truant if any of the following circumstances apply.

- a) Notwithstanding Section 48200, a learner shall be excused from school when the absence is:
 1. Due to illness, including an absence for the benefit of the pupil's mental or behavioral health.
 2. Due to quarantine under the direction of a county or city health officer.
 3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.

4. For the purpose of attending the funeral services of a member of the immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 5. For the purpose of jury duty in the manner provided for by law.
 6. Due to the illness or medical appointment during school hours of a child of whom the learner is the custodial parent/guardian.
 7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the learner's absence is requested in writing by the parent/guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 8. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 9. For the purpose of spending time with a member of the learner's immediate family, who is an active duty member of the uniformed services, as defined in EC 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 10. For the purpose of attending the learner's naturalization ceremony to become a United States Citizen.
 11. For the purpose of participating in a cultural ceremony or event.
 12. Authorized at the discretion of a school administrator, as described in subdivision (c) of section 48260.
- b) A learner absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of the class from which a learner is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the learner missed during the absence.
 - c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
 - d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 - e) "Immediate family," as used in this section, means the parent/guardian, sibling, grandparent, or any other relative living in the household of the learner.

Chronic Absenteeism

A learner is considered a chronic absentee when they are absent on 10% or more of the school days in one school year, from the date of enrollment to the current date. Chronic absenteeism includes all

absences – excused and unexcused – and is an important measure because excessive absences negatively impact academic achievement and learner engagement.

Illness at an Independent Study Learning Studio

Any child who becomes ill while at iLEAD AV will be taken to the health office and parents/guardians will be called to pick up their sick child. The child needs to be fever-free for 24 hours before returning to school. If a child needs to take prescription medication on a temporary or permanent basis while at school site or activity, an authorization to administer medication must be on file at the school. This form is available on the web-site: [Medication Form](#)

Concurrent Enrollment

All learners may only be enrolled in one school at a time. Learners may not be enrolled in a public and/or charter school and a private school or a public school and charter school at the same time. The school may request proof of disenrollment from previous school prior to registration.

SCHOOL LUNCH PROGRAM

iLEAD AV Hybrid offers a school lunch program. iLEAD AV offers healthy meals every school day because children need healthy meals to learn. Commencing in SY 2022-23 schools serving learners in grades TK-12 must provide two meals free of charge (breakfast and lunch) during each school day to learners requesting a meal, regardless of their free or reduced-price meal eligibility. Schools will still require eligible parents/guardians to submit a Household Data Collection form in order to remain in compliance for accounting purposes only. Please see the iLEAD AV website at [iLEAD AV School Lunch](#).

ENRICHMENT ACTIVITIES

iLEAD AV Hybrid offers several clubs, sports and enrichment classes. For a list of current ongoing extra-curricular offerings, please see the iLEAD AV Events Calendar at: [iLEAD AV Events](#).

TRANSPORTATION

iLEAD AV does not provide transportation. Families need to arrange their own transportation to and from campus/studio. Field Studies participation includes transportation details and are arranged on a per field study basis. Please see individual Field Study documentation for further information.

Prior to departure on a school activity trip, all learners riding on a school bus or school activity bus shall receive safety instruction that includes, but is not limited to, location of emergency exits, and location and use of emergency equipment. Instruction also may include responsibilities of passengers seated next to an emergency exit.

LOTTERY GUIDELINES

As a charter school, iLEAD AV is a school of choice, and may have more learners interested in attending the school than there are spaces available. If the number of learners who wish to attend the school exceeds the openings available, entrance shall be determined by single random public drawing in accordance with Education Code §47605(d)(2) and all federal requirements.

SECTION 4: LEARNER CONDUCT

EXPECTATIONS FOR SCHOOL BEHAVIOR

iLEAD AV strives to present our learners with opportunities that exceed those available at most traditional schools. Our learners also accept a sense of responsibility that in many ways exceeds that which is expected at a traditional school. We expect each child to do their best, both academically and behaviorally. If there's a problem, we personally speak with the learner, discuss the options for making good decisions, set appropriate consequences, and strive to help the learner internalize the importance of taking responsibility for their own learning and behavior. As a framework for this, we have expected learning results.

At iLEAD AV we utilize **Love and Logic®** to embrace each learner's uniqueness while modeling and expecting appropriate behavior. Our iLEAD AV expectations for school behavior are:

- I will do nothing to harm myself or others
- I am responsible for my behavior
- We are each other's keepers
- I take pride in myself and in my work
- I will leave it better than I found it.

At the beginning of the school year, and at intervals throughout the year, we discuss these goals and principles with the learners, come to a common understanding of what they mean and why they are important, and then help our learners to incorporate them into their daily lives. Parents/guardians are encouraged to participate in the Love and Logic® courses offered at iLEAD AV throughout the year.

Consequences

In addition to Love and Logic, our school focuses on Restorative Practices. This is an approach to resolving conflict and is used for preventative measures. Restorative Practices refer to a range of approaches including talking circles and peer mediation and utilizes strategies to rebuild relationships.

There are age appropriate consequences for not adhering to the behavior guidelines. Along with the Restorative Practice approach, family and staff will work together to make decisions that are in the best

interest of the child. The following are examples of consequences that allow flexibility for individuals and varying situations.

- **Warning and reminder:** This may take place in or out of the classroom.
- **Reflection time:** This allows children to cool off and the situation to diffuse before it becomes a larger issue. A reflection time may take place in the office or outside of a classroom.
- **A respectful, related consequence:** This step allows the flexibility for a child or adult created consequence. For instance, if a child wrote on a table, the consequence may be to clean the tables.
- **A disciplinary referral to the office:** This consequence reflects the seriousness of the situation. At this time, the learner will meet with an administrator, describe what happened, what they could have done differently, and what could be changed at the school that could prevent this from happening again.
- **Suspension/parental/guardian supervision :** The child would not be allowed to attend school. This would include extra-curricular activities during the suspended time period.
- **Emergency Removal:** See *Emergency Removal* section on the next page.

Suspension/Expulsion Procedures

Rules of suspension and expulsion must follow due process mandates. They are stated below.

Suspension

- The school administrator or administrative designee can suspend a child.
- No suspension shall exceed five (5) school days.
- The administrator must directly contact parent/guardian regarding the learner suspension and reasons why.
- The learner must be given the right to appear at a conference before the Administrator. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against them, and shall be given the opportunity to present their version and evidence in their defense.
- A written notice of suspension must be sent or given within one school day to the parent/guardian or custodian of the learner. The notice must contain the reasons for the suspension and the right of the learner to appeal the suspension.
- A parent/guardian has the right to appeal the suspension, which must be submitted, in writing, to the Administrator within fourteen (14) calendar days of the written notice of suspension. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD as the Board of Director's designee.

Note: A learner under a suspension shall have the right to make up all academic work missed. From the day they return to school, the number of days given to accomplish this make-up work shall equal the number of suspension days.

Expulsion

- Only the School Director can recommend expulsion. *EDN 48900*

- The School Director may grant an extension of time. If granted, the Administrator must notify all parties, in writing, of the new time and place for the meeting.
- The written notice is to include reasons for the recommended expulsion.
- The learner and parent/guardian must have an opportunity to appear, on request, before the school Administrator to challenge the recommendation for expulsion, or to otherwise explain the learner's actions that led to the intended expulsion.
- The parent/guardian may be given the opportunity to withdraw the learner before a decision to expel takes place. It should be noted, however, that when such learner is withdrawn, the expulsion process must continue to be followed to its conclusion
- Only the governing board may make the decision to expel a learner. Following that decision:
- The letter of expulsion is sent.
- Within one (1) school day, the Administrator shall notify the Registrar, in writing of the decision to expel.
- The parent/guardian has the right to appeal the expulsion, which must be submitted, in writing, to the school Administrator within fourteen (14) calendar days of the written letter of expulsion. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD Education as the Board of Director's designee.

Emergency Removal

The school Administrator may perform an emergency removal of a learner from curricular or extracurricular activities or from the grounds if a learner's presence poses a threat and/or danger to any person or property, or if the learner's presence poses an on-going disruption to the educational process. This removal may be done without immediate notice or hearing.

If the removal leads to a suspension any learner so removed shall be given written notice and provided with a hearing within three (3) school days after removal as defined in the Suspension section of this Handbook. If it is probable that the learner is going to be recommended for expulsion, the expulsion process shall be conducted in accordance within the Expulsion section of this Guidebook.

Testing

Learners are expected to participate in all assessments required by the state of California as well as any required school-wide benchmark assessments to ensure the longevity and accountability of the program. Parents/Guardians will be notified of the testing required for each learner. Parents/Guardians are responsible for ensuring their learners attend the required testing. Tests include:

- CAASPP (California Assessment of Student Performance and Progress): Grades 3-8 and 11 in the spring
- CAST Science (California Science Test): Grades 5, 8, and a high school grade level (as determined each year) in the spring
- Physical Fitness Test: Grades 5, 7, and 9 during the second semester
- MAP (Measures of Academic Progress) Growth Test*: Grades TK-12 in the fall and spring

**Internal benchmark testing is a program requirement to determine academic progress and the appropriate allocation of instructional funds. Refusal to participate will result in limited choices of instructional funds.*

Academic Dishonesty

The school expects learners to do their own work and to succeed in school by their own efforts. Academic dishonesty includes using someone else's answers, writings, or ideas and submitting the work as their own. It also involves using answer keys, teacher's editions, the internet and/or a mobile device to find answers without permission. Additionally, providing answers or allowing someone to use their work is not allowed.

For any learner caught plagiarizing (copying) the writings or ideas of another, providing work for another to copy, or cheating by any other means, disciplinary actions will be taken as deemed appropriate by the facilitator and/or School Director or designee.

Parent/Guardian Responsibility

Parents/guardians are liable for all the damages caused by the willful misconduct of their minor children, which result in death or injury to other learners, school personnel, or school property. Parents/Guardians are also liable for any school property loaned to the learner and willfully not returned.

If a child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, the parent/guardian may be required to attend a portion of a school day in their child's classroom. [EC48900.1]

Electronic Nicotine Delivery Systems (E-Cigarettes)

The school prohibits the use of electronic nicotine delivery systems (ENDS) such as e-cigarettes, hookah pens, cigarillos, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products on all school property and in school vehicles at all times. ENDS are often made to look like cigarettes, cigars and pipes, but can also be made to look like everyday items such as pens, asthma inhalers and beverage containers. These devices are not limited to vaporizing nicotine; they can be used to vaporize other drugs such as marijuana, cocaine, and heroin. Learners using, in possession of, or offering, arranging or negotiating to sell ENDS can be subject to disciplinary action, particularly because ENDS are considered drug paraphernalia, as defined by 11014.5 of the Health and Safety Code.

Student Search

The school director or administrative designee may search the personal property of a learner, the learner, or the backpack or purse if there is a reasonable suspicion to believe the learner may have a concealed weapon, narcotics, stolen property, or contraband. [U.S. Supreme Court Case: New Jersey v. T.L.O. (1985) 469 U.S. 325]

Release of Learner to Peace Officer

If an iLEAD AV official releases a learner from school to a peace officer for the purpose of removing them from the school premises, the school official shall take immediate steps to notify the parent/guardian or a responsible relative of the learner, except when a learner has been taken into custody as a victim of suspected child abuse. In those cases, the peace officer will notify the parent/guardian. [EC 48906; PC 11165.6]

SECTION 5:

LEARNING PERIOD EXPECTATIONS

ASSIGNMENT WORK RECORD (AWR)

The Assignment Work Record (AWR) lists assignments and activities that must be completed by the learner during each learning period. The Facilitator ensures that the assignments and activities support grade-level content standards and social-emotional learning. The AWR also serves as a grade book and goal-setting tool for learners and families. As the credentialed teacher of record, the facilitator will review the assignments and activities listed from each learning period at the meeting, and provide feedback, suggestions, and grade determinations. Learners who are not meeting grade-level expectations are provided intervention support.

The AWR is maintained by the Facilitator and incorporates assignments that will utilize a variety of materials, resources, and activities. The facilitator will guide the discussion at learning period meetings to plan, review and assign work on the AWR in collaboration with the learner. The unique learning styles and interests of each learner are considered in the development of assignments reflecting state standards. At monthly learning period meetings, the body of work, as listed on the AWR, is showcased by the learner. The EF will collect samples in each subject area as listed on the Master Agreement.

The AWR reflects the grade-level guidelines as defined by the state of California and include:

Instructional Time Requirements (CDE)		
Grade	Min/Year	Average Daily
TK/Kinder	36,000 min	205 min/day
1st - 3rd	50,400 min	288 min/day
4th - 8th	54,000 min	308 min/day
9th - 12th	64,800 min	370 min/day

- a. **Assignments:** Curriculum guide, pacing plans, field studies, projects, reports, presentations, videos, writing, experiments, journals, graphic organizers, logs, etc.
- b. **Time Value:** The assignments must meet the instructional time requirements for charter schools as listed by the CDE. The assignments reflect time value for an average student to complete their work by grade-level guidelines. https://www.cde.ca.gov/fg/aa/pa/instructionaltime_table.asp

LEARNING PERIOD MEETINGS

Learners and/or parents/guardians must participate in regularly scheduled mandatory learning period

(LP) meetings at a minimum of every 20 instructional days in addition to weekly check ins. Meeting frequency is subject to California Education Code, and the credentialed teacher can request more meetings as needed to support learner progress. At these meetings, the Facilitator will review the body of work and collect work samples for each subject as listed on the Master Agreement. The learner will showcase, discuss, and provide work assignments such as projects, essays, assessments, clear photos/videos, and other items that allow the learner to demonstrate learning experiences. Additionally, the facilitator will assign work for the next learning period meeting. Should an emergency arise, the parent/guardian or learner should communicate with the educational facilitator to reschedule the meeting as soon as possible.

Chronic absences in the form of insufficient work completed and/or missed learning period meetings may result in an evaluation to determine whether independent study is an appropriate strategy/program for the learner. Any violation of the Master Agreement could result in removal from iLEAD AV independent study program.

MONTHLY WORK SAMPLES

With the facilitator, learners will discuss and show the body of work assigned in the AWR. This includes all completed assignments from which the Facilitator will collect work samples per subject listed on the Master Agreement each learning period. Work samples should:

- Demonstrate learning in accordance with the work assigned and grade-level standards as listed for each subject on the AWR.
- Reflect original learner work submitted as a hard copy, emailed as a scanned copy, or photo(s).
 - Photo samples: The images should be clear, well-lit, and include the entire sample in the frame. Learners should write (or dictate for primary grades) a caption or description of the learning taking place in the photos. Photos should include learners with their projects when possible.
- Not contain any religious materials or references unless the course on the Master Agreement requires a study of world religions.
- Show math problems worked out or explained by the learner.
- Be evaluated by the Facilitator. .

If the Facilitator determines additional samples are needed to demonstrate progress and learning in specific areas, the Facilitator may assign additional work or ask the learner to revise what they have already submitted.

LEARNING LOG

Parents/Guardians must sign a monthly learning log confirming learner engagement in educational activities on school days. Parents/Guardians will be required to sign off on the learning log on the last day of each learning period. Attendance is determined based on the work assignments completed (time value) and the daily engagement (learning log).

Learning Period (LP) End Dates			
LP1	9/16/22	LP6	3/10/23
LP2	10/21/22	LP7	4/7/23
LP3	11/18/22	LP8	5/12/23
LP4	12/16/22	LP9	6/16/23
LP5	2/10/23		

SYNCHRONOUS INSTRUCTION AND DAILY LIVE INTERACTION

Learners will be provided opportunities for daily synchronous instruction for grades TK through three, daily live interaction and at-least weekly synchronous instruction for grades four through eight. Participation in the synchronous instruction and daily live interaction are optional but highly encouraged for learners. If a learner does not participate in these optional offerings letters/emails will be sent encouraging learners to attend in order for the school to be in compliance with tiered reengagement.

SECTION 6: TECHNOLOGY

ELECTRONICS

Cell phones, tablets, and other electronic items are often used for instructional practices. We are guiding our learners in appropriate use of technology, helping them to make appropriate choices concerning these items. We realize that many parents/guardians give their children cell phones for safety and convenience. We ask that learners limit use of the phones during the school day to academic purposes only. Families may contact their child in an emergency situation by calling the school office and learners may use cell phones or school phones to contact families in an emergency. Learners should respect their facilitator's requests regarding appropriate time to use technology. Should technology disrupt the learning environment or if used inappropriately, the parent/guardian will be notified and cell phones or other devices will be stored in a safe place and returned to the learner at the end of the school day. Continuous misuse of technology will result in consequences.

INTERNET USAGE

iLEAD AV learners are given many choices to support and supplement instruction. Before using the internet, parents/guardians and learners should read the "Network Use Guidelines" below.

NETWORK USE GUIDELINES

Please read the following carefully. This will give information about the privileges and responsibilities of using the Internet as part of the learner's educational experience. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual people.

Learners will have access to:

1. Electronic mail (e-mail) communication with people all over the world.
2. Information and news from a variety of sources and research institutions.
3. Public domain and shareware software of all types.
4. Discussion groups on a wide variety of topics.
5. Many university libraries, the Library of Congress, and more!
6. Educational Software

Giving our learners the skills to thrive in the 21st Century means giving them access to technology. With computers as part of every classroom curriculum, iLEAD AV uses very strong guidelines for Web usage and Internet security. We comply with the level of security that the Children's Internet Protection Act requires. While we have filters at the network level for inappropriate Websites, there are still instances when those Websites can come through. Please be assured that iLEAD AV remains committed to restricting the use of such Websites.

Our school is taking reasonable precautions to restrict access to “harmful matter” and to materials that do not support approved educational objectives. However, on a public network it is impossible to control all materials. “Harmful matter” means matter that, taken as a whole by the average person applying contemporary statewide standards, describes in a patently offensive way material which lacks serious literary, artistic, political, or scientific value for minors (Penal Code, section 3 13).

The facilitators/staff will choose resources on the Internet that are appropriate for classroom instruction and/or research for the needs, maturity, and ability of their learners. iLEAD AV takes no responsibility for the accuracy or quality of information from Internet sources. Use of any information obtained through the Internet is at the user’s risk.

The purpose of schools having access to the Internet is to support research and education in and among academic institutions by providing access to unique resources and the opportunity for collaborative work. The use of the internet must be in support of education and research and consistent with the educational objectives of iLEAD AV.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to, the distribution of:

1. Any information which violates or infringes upon the rights of any other person.
2. Any defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
3. Advertisements, solicitations, commercial ventures, or political lobbying.
4. Any information which encourages the use of controlled substances or the use of the system for the purpose of inciting crime.
5. Any material which violates copyright laws.
6. Any vandalism, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software, is strictly prohibited.
7. The use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of these privileges.

NETIQUETTE (Network Etiquette)

The use of the Internet requires that learners abide by accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not send abusive messages to anyone.
2. Use appropriate language. In all messages, do not swear or use vulgarities or any other inappropriate language. Anything pertaining to illegal activities is strictly forbidden.

3. Maintain privacy. Do not reveal the personal address or phone numbers of yourself or other persons. Before publishing a learner's picture, first name, or work on the Internet, the school must have on file a parent/guardian release authorizing publication.
4. Respect copyrights. All communications and information accessible via the network should be assumed to be the property of the author and should not be reused without their permission.
5. Do not disrupt the network. Do not use the network in a way that would disrupt the use of the network by others.
6. Security on any computer system is a high priority, especially when the system involves many users. If a learner feels they can identify a security problem, they must notify iLEAD AV Hybrid Staff.
7. Vandalism will result in cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

SUPERVISION AND MONITORING

School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline or security of any learner or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

CYBERBULLYING

iLEAD AV provides learners with instruction, in the classroom or other educational settings, that promotes communication, social skills, and assertiveness skills and educates learners about appropriate online behavior and strategies to prevent and respond to bullying and cyberbullying. School staff shall receive related professional development, including information about early warning signs of harassing/intimidating behaviors and effective prevention and intervention strategies. Parents/Guardians, learners, and community members also may be provided with similar information.

Any learner who engages in cyberbullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with school policy. If the learner is using a social networking site or service that has terms of use that prohibit posting of harmful material, the School Director or designee may also file a complaint with the Internet site or service to have the material removed.

SECTION 7:

POLICIES AND PROCEDURES

ACCELERATION AND RETENTION PROCEDURES

Learners are expected to progress through each grade within one year. In unique circumstances, learners may be considered for acceleration or retention. The acceleration and retention process involves parents/guardians, credentialed teachers, counselors, and administrators who carefully review the learner's progress, testing results, academics, and social-emotional needs to make a final decision that is in accordance with state law and board policies. The decision to accelerate or retain a learner is a joint decision between the student study team (including the parent/guardian of the learner) and the school/program director or designee. If a consensus cannot be reached, the final decision resides with the school/site director or designee according to the Board's Acceleration and Retention policy.

ASBESTOS MANAGEMENT PLAN

The School maintains and annually updates its management plan for asbestos-containing material in school buildings. For a copy of the asbestos management plan, please contact: David.Williams@ileadschools.org.

ATTIRE

We do lots of walking, running, sitting on the carpet, art, etc. Therefore, our parents/guardians and learners have found that loose-fitting, comfortable clothing and closed-toed sneakers or comfortable walking shoes work best at our school. Distracting clothing is discouraged and although we do not wish to limit our learners' freedoms by imposing guidelines we will contact the parents/guardians to inform them about the inappropriate choice of clothing when necessary.

BULLYING

iLEAD AV is committed to the prohibition of discrimination, harassment, intimidation, and bullying. Annual training will be provided to all staff who work with learners, to prevent bullying and cyberbullying. You may find a list of education web pages describing the staff training at: <https://www.cde.ca.gov/ls/ss/se/bullyres.asp> If you or your child should experience any bullying on campus, at school events, or on the way to or from school, please contact [Contact Form](#) to assist you in identifying and stopping this behavior.

CHILD ABUSE AND NEGLECT REPORTING

iLEAD AV is committed to protecting all learners in its care. All employees are considered mandated reporters, required by law to report cases of child abuse and neglect whenever there is reasonable suspicion abuse or neglect has occurred. School employees may not investigate to confirm a suspicion.

All complaints must be filed through a formal report, over the telephone, in person, or in writing, with an appropriate local law enforcement agency (*i.e.*, Police or Sheriff's Department, County Probation Department, or County Welfare Department/County Child Protective Services). Both the name of the person filing the complaint and the report itself are confidential and cannot be disclosed except to authorized agencies.

CIVILITY ON SCHOOL GROUNDS

Any person who willfully disturbs any public school or any public school meeting is guilty of a misdemeanor, and shall be punished by a fine of not more than five hundred dollars (\$500). It is unlawful for any person, except a parent/guardian acting toward their minor child, to intentionally or to attempt to injure, intimidate, interfere by force, threat of force, physical obstruction, or nonviolent physical obstruction with any person attempting to enter or exit any public or private school grounds.

COMPLAINT PROCEDURE

It is always our intent to resolve concerns in the simplest manner for all. If a parent/guardian has a classroom concern, it is expected that they will try to resolve the concern with the classroom facilitator. If the concern is not resolved, please bring this concern to the school administration. Every effort will be made to find a fair resolution through a personal conference or a meeting between the parties involved.

CUSTODY ISSUES AND EDUCATIONAL RIGHTS

Custody disputes must be handled by the courts. The school has no legal jurisdiction to refuse a biological parent/guardian access to their child and/or school records. The only exception is when signed restraining orders or legal divorce papers specifically indicate limitations on visitation or educational rights. This paperwork must be on file with the school. Unless the parent/guardian provides court documentation stating that the other parent/guardian does not have educational rights or access to school records, both parents/guardians will have access to educational records. Any learner release situation which leaves the learner's welfare in question will be handled at the discretion of the site administrator or designee. Should any such situation become a disruption to the school, law enforcement will be contacted and an officer requested to intervene. Parents/Guardians are asked to make every attempt not to involve school sites in custody matters. The school will make every attempt to reach the custodial parent/guardian when a parent/guardian or any other person not listed on the emergency card attempts to pick up a child.

DIRECTORY INFORMATION

"Directory Information" includes one or more of the following items: learner's name, address, telephone number, e-mail address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent public or private school attended by the learner. Directory information may be disclosed without prior consent from the parent/guardian unless the parent/guardian declines upon registration denying access to their pupil's directory information.

DISEASE PREVENTION STRATEGIES

The following procedures should be followed to promote everyday disease prevention strategies according to the Department of Education (<https://www.ed.gov/coronavirus>):

- If you are sick or feeling unwell, stay home.
- Avoid close contact with those who are already sick.
- Cover your nose and mouth when coughing or sneezing with a tissue or the crook of your arm.
- Wash your hands often with soap and water.
- Avoid touching eyes, nose, or mouth.

DRUG AND ALCOHOL/TOBACCO PREVENTION

iLEAD AV functions as a drug, alcohol, and tobacco free workplace.

ELECTRONIC LISTENING OR RECORDING DEVICE

The use by any person, including a learner of any electronic listening or recording device in any classroom without the prior consent of the facilitator and the school director is prohibited as it disrupts and impairs the teaching process and discipline in the schools. Any person, other than the learner willfully in violation shall be guilty of a misdemeanor. Any learner in violation shall be subject to appropriate disciplinary action.

EMERGENCY AND HEALTH PROCEDURES

Emergency Medical Authorization

Each parent/guardian is asked to complete the Emergency Medical Authorization portion of the Enrollment/Information Form and Emergency Contact Information. These forms will include the necessary information the school must have should an emergency arise. It is extremely important that the authorization and Emergency Contact Information be fully completed. If there are any updates to the Emergency Medical Authorization during the year, email Linda.Mendoza@ileadav.org.

Learner Medications Assistance

If a learner requires emergency or other medications (such as an inhaler, epi-pen, or oral medication), it must be prescribed by a doctor and will be kept in a locked compartment in the front office. A parent/guardian must complete a Request for Assistance Concerning Learner Medications form prior to the learner attending classes at iLEAD AV Hybrid. This form is available in the front office or on the iLEAD AV website at: [Medication Form](#)

Emergency Treatment for Anaphylaxis

Anaphylaxis is a severe and potentially life-threatening allergic reaction that can occur after encountering an allergic trigger, such as food, medicine, an insect bite, latex or exercise. Symptoms include narrowing

of the airways, rashes or hives, nausea or vomiting, a weak pulse and dizziness. It is estimated that approximately 25% of the anaphylactic reactions occur during school hours to learners who had not previously been diagnosed with a food or other allergy. Without immediate administration of epinephrine followed by calling emergency medical services, death can occur. Being able to recognize and treat it quickly can save lives. Recent changes to EC 49414 now require schools to provide epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use epinephrine auto-injectors for any learner who may be experiencing anaphylaxis, regardless of known history.

Entrance Health Screening

State law requires that the parent/guardian of each pupil provide the school within 90 days after entrance to first grade documentary proof that the pupil has received a health screening examination by a doctor within the prior 18 months. Pupils may be excluded up to 5 days from school for failing to comply or not providing a waiver. Free health screening is available for eligible learners through the Child Health Disabilities Prevention Program.

Oral Health Assessment

Record of a dental assessment done by a dental professional is required for all kindergarteners and first graders attending public school for the first time. Dental assessments must be completed in the 12 months prior to entry or by May 31st of the pupil's first school year.

Immunizations

Learners are not required to have immunizations if they attend an independent study program and do not receive classroom-based instruction. However, parents/guardians must continue to provide immunization records for each learner during enrollment. The immunization requirements do not prohibit learners from accessing special education and related services required by their individualized education programs.

A learner not fully immunized may be temporarily excluded from a school or other institution when that child has been exposed to a specified disease and whose documentary proof of immunization status does not show proof of immunization against one of the communicable diseases described above.

Beginning January 1, 2016, parents/guardians of learners in any school will no longer be allowed to submit a personal beliefs exemption to a currently required vaccine. A personal beliefs exemption on file at school prior to January 1, 2016 will continue to be valid until the learner enters the next grade span at kindergarten (including transitional kindergarten) or 7th grade.

Physical Examination

A parent/guardian may file annually with the school director a written statement, signed by the parent/guardian, withholding consent to a physical examination of the pupil. However, whenever there is good reason to believe that the pupil is suffering from a recognized contagious or infectious disease, the pupil shall be sent home and shall not be permitted to return until school authorities are satisfied that the contagious or infectious disease no longer exists.

EMERGENCY PROCEDURES

Emergency drills (such as earthquake and fire drills), are conducted during the school year at the iLEAD AV learning studio. If an emergency occurs during regular school hours, learners will be directed by instructors to follow emergency procedures for the specific event. If an emergency occurs when the learners are at an offsite iLEAD event, learners will be directed to the supervising facilitator, parent/guardian volunteer or other school staff member.

If an emergency extends beyond the end of the school day at the learning studio, learners will not be released until it has been determined that it is safe to do so. In the case of an emergency, parents/guardians or an emergency contact are expected to sign learners out, regardless of grade. Parents/guardians can not leave the premises without signing out the learner.

FACILITATOR QUALIFICATIONS

Parents/Guardians may request the following regarding their child's facilitator(s):

- Licensure and certification information
- Emergency or provisional teaching certificate
- Educational background
- Qualifications of Instructional Aides (if applicable)

FIELD STUDIES

Throughout the school year, learners will take many trips, often planned through facilitator and parent/guardian collaboration. These trips are a part of iLEAD AV project-based curriculum and may include walking trips, trips by private or school vehicles, and buses. Participation is a vital part of the learning process and is strongly encouraged.

A walking field trip permission slip is completed as part of the enrollment packet. Signing the form indicates you have granted your child permission to participate in iLEAD AV ongoing walking field trip program throughout the school year. Facilitators will not send home trip slips for each individual walking field trip.

Field Trip Permission Slips will be required for all non-walking field trips. Learners must have a permission slip on file in order to participate in a field trip.

Approved volunteers* are encouraged to accompany your child's class on a field trip, please let the facilitator know in advance. We appreciate all volunteers for trips. *See Family Expectations for information on the volunteer process.

FOSTER AND HOMELESS YOUTH

Foster and homeless youth are allowed educational rights, such as: immediate enrollment, remain in school of origin, enrollment in local comprehensive school, partial credits, graduation with state minimum requirements with possible fifth year/exemption from local graduation requirements, and access to academic resources, services and extracurricular activities. Learners experiencing

homelessness have a right to apply for financial aid to seek education beyond high school. Every charter school must appoint a homeless liaison to assist learners and families. Please contact: michele.bowes@ileadschools.org for more information of services and policies related to homeless education rights. A local educational agency must provide a remedy to the affected pupil following the Uniform Complaint Procedures.

GUN-FREE SCHOOL ZONE ACT

California prohibits any person from possessing a firearm on, or within 1,000 feet from, the grounds of a public or private school, unless it is with the written permission of Site Director: Talaya.Coleman@ileadav.org. This does not apply to law enforcement officers, any active or honorably retired peace officers, members of the military forces of California or the United States, or armored vehicle guards engaged in the performance of, or acting in the scope of, their duties. A person may also be in possession of a firearm on school grounds if the firearm is unloaded and in a locked container or within the locked trunk of a motor vehicle. A violation of this law is punishable by imprisonment in a county jail for up to six months, a fine of up to \$1,000, or both imprisonment and fine.

HARM OR DESTRUCTION OF ANIMALS

Any pupil with a moral objection to dissecting or otherwise harming or destroying an animal, or any part thereof, must inform their facilitator of the objection. Objections must be substantiated by a note from the pupil's parent/guardian.

A pupil who chooses to refrain from participation in an education project involving the harmful or destructive use of an animal may receive an alternative education project, if the facilitator believes that an adequate alternative education project is possible. The facilitator may work with the pupil to develop and agree upon an alternative education project so that the pupil may obtain the knowledge, information, or experience required by the course of study in question.

LCFF and LCAP

The school LCAP is available for viewing on our website and is updated annually.

MENTAL HEALTH AND SUICIDE PREVENTION POLICY

The Governing Board recognizes that suicide is a major cause of death among youth and should be taken seriously. In order to reduce suicidal behavior and its impact on learners and families, the Director(s) or designee have developed preventive strategies, intervention and postvention procedures. The purpose of this policy is to protect the health and well-being of all learners by having procedures in place to prevent, assess the risk of, intervene in, and respond to suicide.

In order to initiate access to available pupil mental health services, contact the school counselor or visit <https://ileadstudentsupport.org/counseling/>. Our school will notify parents/guardians at least twice per year. This is one time through our Annual Notifications, we will also notify you again a second time each school year, by the following means, email.

NON-DISCRIMINATION

iLEAD AV is committed to providing a safe school environment where all individuals in education are afforded equal access and opportunities. The school's academic and other educational support programs, services and activities shall be free from discrimination, harassment, intimidation, and bullying of any individual based on the person's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental/guardian status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. Specifically, state law prohibits discrimination on the basis of gender in enrollment, counseling, and the availability of physical education, athletic activities, and sports. Transgender learners shall be permitted to participate in gender-segregated school programs and activities (e.g., athletic teams, sports competitions, and field studies) and to use facilities consistent with their gender identity. The School assures that lack of English language skills will not be a barrier to admission or participation in School programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained. For a complaint form or additional information, contact the school office at 661-494-7442.

The Uniform Complaint Procedures (UCP) complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, bullying or charging pupil fees for participation in an educational activity or non-compliance. The person who receives the complaint shall respond to the parent/guardian in writing within 60 days. The parent/guardian may appeal to CDE within 15 days if not in agreement with the final report. As laws change, guidebook will be updated. Please contact iLEAD AV Front Office at 661-494-7442 or [Contact Form](#). If you would like more information on how to file a complaint with the school, prior to appealing to the CDE. For more information you may go to the CDE website: <https://www.cde.ca.gov/re/cp/uc/ucpmonitoring.asp>

PESTICIDE USE

iLEAD AV may utilize outside companies to control pests. If, in any given situation, non-chemical methods of pest management are ineffective and it is deemed necessary to use a pesticide during the school year, the area of application will be placarded in advance, as required by law. Parents/Guardians who wish to be personally notified of any pesticide applied at an iLEAD location, please contact the office.

PROPERTY DAMAGE

Parents/Guardians may be held financially liable if their child willfully damages school property or fails to return school property loaned to the child. The school may further withhold the grades, diploma, and transcript of the pupil until restitution is paid.

PUPIL FEES

iLEAD AV is a tuition-free public school and does not have any mandated fees.

SAFE PLACE TO LEARN ACT

iLEAD AV committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in Section 422.55 of the Penal Code and EC 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. All school personnel who witness an act of discrimination, harassment, intimidation, or bullying must take immediate steps to intervene when safe to do so. Any student who engages in acts of discrimination, harassment, violence, intimidation, or bullying related to school activity or school attendance occurring within a school of the school district may be subject to disciplinary action up to and including expulsion. To report an incident and/or to receive a copy of the school's antidiscrimination, anti-harassment, anti-intimidation, and anti-bullying policies, please contact the school office at 661-494-7442.

SCHOOL ACCOUNTABILITY REPORT CARD

The school SARC is available for viewing on <http://sarconline.org> and is updated annually.

SCHOOL SAFETY PLAN

A Comprehensive School Site Safety Plan has been adopted at iLEAD AV. This plan is available upon request from the school office.

SERVICES TO DISABLED LEARNERS

If a parent/guardian has reason to believe their learner has a disability requiring special services or accommodations, contact the learner's facilitator. The learner will be evaluated to determine whether they are eligible for free special or modified instruction or services. The school has policies guiding procedures for identification and referral. Learners identified with special needs will receive a Free Appropriate Public Education (FAPE) in the least restrictive environment. Certain special education services can only be provided while the learner is in the state of California. Please contact the case manager or school office if you will be out of state.

Child Find System

Under state law, each public school system is responsible to find children with disabilities in its area Free Appropriate Public Education (FAPE) - Each public school system is responsible for ensuring that each child with disabilities is served appropriately, at no expense to the parent/guardian in the least restrictive environment.

Instruction for Pupils with Temporary Disabilities

A pupil with a temporary disability which makes attendance in the regular day classes or the alternative educational program in which the pupil is enrolled impossible or inadvisable may receive individualized instruction provided through independent study, as outlined in the independent study policy. Please contact Gris.Ibarra@ileadschools.org for further information. Charter schools are not allowed to provide Home Hospital.

A pupil with a temporary disability, who is in a hospital or other residential health facility, excluding a state hospital, may be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. It is the responsibility of the parent/guardian to notify the school district in which the hospital or other residential health facility is located of the presence of a pupil with a temporary disability. Upon receipt of the notification, the district will within five working days determine whether the pupil will be able to receive individualized instruction pursuant to EC 48206.3 and, if so, provide the instruction within five working days or less.

A pupil with a temporary disability may remain enrolled in the district of residence or charter school and may attend regular classes when not confined to the hospital setting, the total days of instruction may not exceed the maximum of five days with both school settings and attendance may not be duplicated. If necessary, the district of residence may provide instruction in the home for the days not receiving instruction in the hospital setting, depending upon the temporary doctor orders. The supervisor of attendance shall ensure that absences from the regular school program are excused until the pupil is able to return to the regular school program. An honorary high school diploma which is clearly distinguishable from the regular diploma of graduation may be awarded to a pupil who is terminally ill, from the resident governing school board, a county office of education or a charter school.

SEXUAL HARASSEMENT

iLEAD AV is committed to maintaining a learning and working environment that is free from sexual harassment. Any learner who engages in sexual harassment of anyone in or from the school may be subject to disciplinary action up to and including expulsion. The school strongly encourages any learner who feels that they are being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another learner or adult to immediately contact their facilitator, the director, or any school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the director. Once notified, the director or designee shall take the steps to investigate and address the allegation.

Any employee who permits, engages in, or fails to report sexual harassment shall be subject to disciplinary action up to and including dismissal. For a copy of the school's sexual harassment policy or to report incidences of sexual harassment, please contact the school office at: 661-494-7442.

STUDENT RECORDS

A cumulative record, whether recorded by handwriting, print, or other means, must be maintained on the history of a pupil's development and educational progress. The School will protect the privacy of such

records. Parents/Guardians have the right to 1) inspect and review the pupil's educational record maintained by the school, 2) request that a school correct records which they believe to be inaccurate or misleading, and 3) have some control over the disclosure of information from educational records. School officials with legitimate educational interests may access pupil records without parental/guardian consent as long as the official needs to review the records in order to fulfill their professional responsibility. Upon request from officials of another school district in which a pupil seeks or intends to enroll, the school shall disclose educational records without parental/guardian consent.

The parent/guardian's request to access their pupil's educational records must be submitted in a written form to and the school will have five (5) business days from the day of receipt of the request to provide access to the records. Copies of pupil records are available to parents/guardians for a fee of per page.

Any challenge to school records must be submitted in writing to Registrar@ileadav.org. A parent/guardian challenging school records must show that the records are 1) inaccurate, 2) an unsubstantiated personal conclusion or inference, 3) a conclusion or inference outside the observer's area of competence, 4) not based on the personal observation of a named person with the time and place of the observation noted, 5) misleading, or 6) in violation of the privacy or other rights of the pupil.

FERPA: The Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents/guardians certain rights with respect to their children's education records.

For more information on FERPA, visit the U.S. Department of Education's website at: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

Pupil Records Obtained from Social Media: The school may gather information in the forms of video, photograph, blog, texts, and emails, to maintain school and learner safety. All social media information gathered will be destroyed within one year after the learner turns 18 years or older one year after the learner is no longer enrolled, whichever comes first.

SUDDEN CARDIAC ARREST

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens, blood stops flowing to the brain and other vital organs. SCA is not a heart attack; it is a malfunction in the heart's electrical system, causing the victim to collapse. The malfunction is caused by a congenital or genetic defect in the heart's structure. SCA is more likely to occur during exercise or sports activity, so athletes are at greater risk. These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. If not properly treated within minutes, SCA is fatal in 92 percent of cases. In a school district, charter school, or private school that elects to conduct athletic activities, the athletic director, coach, athletic trainer, or authorized person must remove from participation a pupil who passes out or faints, or who is known to have passed out or fainted, while participating in or immediately following an athletic activity. A pupil who exhibits any of the other symptoms of SCA during an athletic activity may be removed from participation if the athletic trainer or authorized person reasonably believes that the symptoms are cardiac related. A pupil who is removed from play may not return to that activity until they are evaluated by, and receive written clearance from, a

physician or surgeon. On a yearly basis, an acknowledgement of receipt and review of information regarding SCA must be signed and returned by the pupil and the pupil's parent/guardian before a pupil participates in specific types of athletic activities which generally does not apply to those conducted during the regular school day or as part of a physical education course.

SURVEYS

Our school will not use tests, questionnaires, surveys or examinations containing any questions about the pupil's personal beliefs or practices in sex, family life, morality, and religion, unless the parent/guardian is notified in writing that the test, questionnaire, survey, or examination is to be administered and the parent/guardian consents in writing.

TITLE IX

Title IX of the Education Amendments of 1972 is one of several federal and state anti-discrimination laws that ensure equality in educational programs and activities that receive federal funding. Specifically, Title IX protects male and female pupils and employees, as well as transgender pupils and pupils who do not conform to sex stereotypes, against discrimination based on sex, including sexual harassment. California law also prohibits discrimination based on gender, gender expression, gender identity, and sexual orientation. Under Title IX, pupils may not be discriminated against based on their parental/guardian, family, or marital status, and pregnant and parenting pupils may not be excluded from participating in any educational program, including extracurricular activities, for which they qualify. For more information about Title IX, or how to file a complaint of noncompliance with Title IX, contact: iLEAD AV - 661-494-7442, Registrar@ileadav.org

WILLIAMS COMPLAINT POLICY & PROCEDURES

Every school must provide sufficient instructional materials. Every learner, including English learners, must have instructional materials to use at home or after school. School facilities must be clean, safe, and maintained in good repair. There should be no facilitator vacancies or misassignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a complaint form may be obtained at [Contact Form](#). Parents/Guardians, learners, facilitators or any member of the public may submit a complaint regarding these issues. However, it is highly encouraged that individuals express their concerns to the school director before completing the complaint forms to allow the school to respond to these concerns.

SECTION 8:

COMMUNICATION

COMMUNICATION METHODS

WEBSITE

The best way to keep updated with current events and activities at iLEAD AV via the website:www.ileadav.org

MONDAY MESSAGE

Each Monday, school information and reminders are sent home via the Monday Message. You can sign up using a link on the iLEAD AV website homepage: www.iLEADAV.org

SOCIAL MEDIA

You can follow our journey at - [Facebook - iLEADAV](#)

CLASS NEWSLETTERS/WEBSITE

Most facilitators/grade level teams have an informational website. Your learner's facilitator will provide this website information at Meet the Facilitator Night.

PHONE/TEXT

You will receive periodic phone calls and/or texts from Parent Square.. These communications will contain important information and reminders. In the event of inclement weather or an emergency, we will also utilize this system. Please make sure that we have your current phone number in our system at all times.

To update your information, email: minerva.alonso@ileadav.org

SECTION 9:

FAMILIES AND iLEAD Antelope Valley WORKING TOGETHER

FAMILY PARTICIPATION EXPECTATIONS

iLEAD AV seeks to make education a community passion. To this end, parent/guardian participation is essential to the success of the education process. Parents/Guardians are strongly encouraged to participate in the operation of the school as an integral part of the staffing and support team and with the charter staff in the development and successful completion of the individual learning plan for your child.

It is because of families like you that we are able to offer such a unique program for our children here at iLEAD AV.

Volunteering and participation are always optional. We do strongly encourage participation in order to foster the home-school connection and work tirelessly to create a culture where families feel welcome to come onto campus often, but of course, we understand that is not an option for every family. If possible, families are asked to participate 40 hours per year, which works out to 1 hour per week or 4 hours per month. These hours can be earned through a variety of opportunities intentionally designed to accommodate a range of schedules and ability to participate, including classroom volunteering, operational / facilities assistance, relevant professional expertise, administrative tasks or by attending Parent University workshops and seminars.

See the Volunteering page for a list of volunteer needs, and watch the Monday Message for current volunteer needs at: [iSupport \(Volunteering \)](#)

Families having difficulties meeting the participation commitment should contact Kelly.uhl@ileadav.org.

Hours completed off campus or by learner volunteers can be emailed to Kelly.uhl@ileadav.org.

EXAMPLES OF FAMILY VOLUNTEER WORK

- In-class support as an educator aide
- Adult workshops – parents/guardians teaching other parents/guardians
- Outside research in support of specific school projects
- Driving on field trips (must register as driver)
- Organizing a community service project for learners
- Supervising at the school – lunch periods, recess, before school
- Operation support – maintenance of the campus
- Hosting an activity in your home or business

NOTE: All volunteers working with children must have a current TB test on file which are valid for 4 years, as well as a LiveScan criminal background check. LiveScan screenings are valid for the full duration of stay at the school. LiveScan can be obtained at various LiveScan locations and could take up to 2 weeks to clear. Please email our Office Assistant at kelly.uhl@ileadav.org for a list of locations as well as the necessary LiveScan paperwork.

RECORDING VOLUNTEER HOURS

All volunteers should record their volunteer hours into the Check In system located in the iLEAD AV lobby. Hours completed off-campus can be forwarded to kelly.uhl@ileadav.org.

TRADITIONS

At iLEAD AV we have several traditions in place. These are the traditions which we consider our cornerstone events:

- Multicultural Feast (Fall)
- Winter Production (Winter)
- Spring School Community Event (ex. Art Festival, Back Yard Bash, School Carnival)

You will be notified of the exact dates for these events, as well as other learning displays and community building events in the Monday Message or via the Events Calendar on the iLEAD AV website. [Parent Square](#)

ANNUAL FAMILY GIVING

Annual Family Giving is a tradition at many charter schools in California. As a charter school, iLEAD AV receives significantly less per child funding from the state than a traditional school would get. In addition to reduced funding, iLEAD AV directly pays the lease for our buildings.

The iLEAD AV Annual Family Giving Campaign donations directly benefit every learner by providing hands-on curricula, state-of-the-art technology, field trips, college visits, art materials, professional development, and the day-to-day operating expenses that are not funded by the state of California.

The Annual Family Giving Campaign is an important part of strengthening your child's school as well as demonstrating our collective commitment to iLEAD AV. While family giving is voluntary, our school expenses are mandatory, and no financial gift is too small.

SECTION 10: GOVERNANCE

HISTORY

iLEAD AV's Governing Board is composed of community leaders passionate about providing innovative educational opportunities within the Antelope Valley. Each of these Board members came to iLEAD AV with the vision and ability to create and maintain a successful school. For a list of current board members, please visit the iLEAD AV website.

SCHOOL GOVERNANCE

iLEAD AV is governed by a California public benefit corporation with IRS 501c3 tax-exempt status. The school is subject to the Bylaws of the corporation. While iLEAD AV charter authorizing agency is the Acton-Agua Dulce School District, we are self governed, manage our own operations and maintain our own board of directors.

The listing of the current iLEAD AV Board of Directors can be found on the iLEAD AV website: www.ileadav.org

Decisions made by the Board will be on a majority basis. The Board will oversee iLEAD AV policies and operations, and will receive regular reports on the school's academic, financial, and operational progress.

Governing board meetings are open to the public and generally regularly on the campus of iLEAD AV. Meeting notifications are posted on campus prior to the next scheduled Board meeting. Recorded minutes from past meetings are available upon request from the School Administrative office.

iLEAD Schools is an innovative public charter school organization that works closely with our learners, families and communities to develop leaders for the 21st century. We do so through a rigorous, project-based curriculum, which gives a great deal of voice and choice to our learners. We feel that our schools are on the forefront of project-based learning which is giving our children the skills to thrive, not only in the future, but to be active members of their community today. We thank you for joining us on this journey.
